Representative:	David Mitchell
Organisation:	SGN
Date of Representation:	6 th April 2017
Support or oppose implementation?	Support
Relevant Objective:	f) Positive

Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

SGN supports the implementation of this modification as it is needed to facilitate the transition from the current LDZ CSEP NExA to the iGTAD developed by UNC Modification 0440 and already approved by Ofgem on 14th January 2015. Modification 0608 sets out the transition arrangements to enable the iGT Single Service provision arrangements to happen.

Self-Governance Statement: *Please provide your views on the self-governance statement.*

SGN believes that this modification fulfils the self-governance criteria as it does not have a material effect on industry parties.

Implementation: *What lead-time do you wish to see prior to implementation and why?*

N/A

Impacts and Costs: *What analysis, development and ongoing costs would you face?*

N/A

Legal Text: *Are you satisfied that the legal will deliver the intent of the Solution?*

We are satisfied that the legal text will deliver the required intent of this modification.

Are there any errors or omissions in this Modification Report that you think should be taken into account? *Include details of any impacts/costs to your organisation that are directly related to this.*

None identified.

Please provide below any additional analysis or information to support your representation

SGN does not have any further analysis in support of our representation.
