#### Do you support or oppose implementation?

Support

#### Please summarise (in one paragraph) the key reason(s) for your support/opposition.

Implementation of this modification will introduce increased clarity to the information provided to Shippers regarding AQ amendment activity within the AQ Review Process. As a consequence of this revised approach to reporting, the reporting pack produced by Xoserve and presented at the AQ Operational Meeting should be more representative of effective AQ amendment activity by Shippers and therefore produce a more accurate picture of energy movements by LDZ and market sector.

#### Are there any new or additional issues that you believe should be recorded in the Modification Report?

None

#### Self Governance Statement:

*Do you agree with the Modification Panel's decision that this should be a self-governance modification?*

Yes

#### Relevant Objectives:

*How would implementation of this modification impact the relevant objectives?*

*f) Promotion of efficiency in the implementation and administration of the Code.*

*Implementation of this modification will introduce increased clarity and visibility to the information provided to Shippers regarding AQ amendment activity within the AQ Review Process therefore promoting efficiency in the implementation and administration of the Code.*

#### Impacts and Costs:

*What analysis, development and ongoing costs would you face if this modification were implemented?*

No additional costs will be incurred.
