

Self-Governance Statement

Modification 0367 – Interruptible to Firm – Supply Point Transition

The Transporters are submitting this Self-Governance Statement to the Authority in accordance with the UNC Modification Rules.

On 17 February 2011, the Modification Panel considered Modification 0367 and determined that the modification should be treated as a Self-Governance Modification Proposal. The Panel considered that the modification dealt with the process for the transfer from Interruptible to Firm which would be going ahead in any case. As such, the modification:

- (i) is unlikely to have a material effect on:
 - (aa) existing or future gas consumers; and
 - (bb) competition in the shipping, transportation or supply of gas conveyed through pipes or any commercial activities connected with the shipping, transportation or supply of gas conveyed through pipes; and
 - (cc) the operation of one or more pipe-line system(s); and
 - (dd) matters relating to sustainable development, safety or security of supply, or the management of market or network emergencies; and
 - (ee) the uniform network code governance procedures or the network code modification procedures; and
- (ii) is unlikely to discriminate between different classes of parties to the uniform network code/relevant gas transporters, gas shippers or DN operators.

The Proposed Self-Governance Modification Proposal Determination Date is 16 June 2011.
