Dear Tim,

Self-Governance Decision: Modification 0443 Arranging Flow Swaps between NTS/LDZ Offtakes with increased lead times or for prolonged periods

Thank you for your email dated 10 June 2013 regarding the change of status to self governance for UNC0443.

We have reviewed the contents of UNC0443 against the self governance criteria, and having considered the consultation responses, are satisfied that it meets these.

We therefore determine under Standard Special Condition A11 (15D) (a)(ii) that UNC0443 be made subject to self governance.

Yours sincerely
