1.   Introduction

1.1   This document (**Document**) is the UK Link Miscellaneous Document UKLMD2 –Other References to the UK Link Manual referred to in paragraph 2.1.1(g)(ii) of the UK Link Manual Framework Document.

1.2   This Document is an integral part of and is incorporated in the UK Link Manual.

1.3   The version of this Document that is in force and the date from which it is in force, are as stated above.

1.4   In this Document:

        (a)   terms defined in the DSC Terms and Conditions and not otherwise defined in this Document shall have the meaning given in the DSC Terms and Conditions;

        (b)   terms defined in any other CDSP Service Document and not otherwise defined in this Document shall have the meaning given in the CDSP Service Document;

        (c)   terms defined in the UK Link Manual Framework Document and not otherwise defined in this Document shall have the meaning given in the UK Link Manual Framework Document; and

        (d)   the further provisions of the DSC Terms and Conditions as to interpretation apply.

1.5   This Document may be changed in accordance with the applicable procedures contained in the Change Management Procedures.

1.6   The purpose of this Document is to provide:

        (a)   the reference to the relevant UK Link Manual Component Document where the UK Link Manual is explicitly referenced in the Uniform Network Code

1.7   For the purposes of this Document, references to a UK Link User or UK Link Users exclude the CDSP.

1.8   In the case of any conflict between the provisions of this Document and the UK Link Terms and Conditions the latter shall take precedence.

1.9   UNC GT D5.2.3 does not apply in respect of this Document, and accordingly the provisions of this Document are not binding on UK Link Users.

2.   REFERENCES

The table below shows the cross references between other sections of the Uniform Network Code and the UK Link Manual.

UNC Code Reference	Description	UK Link Manual Component Document
TPD Reference		
B 1.5	Requirement to establish a User of the System at particular System Points before delivery or offtake of gas.	UKLCD4 – UK Link Gemini User Guide
C 1.8	Requirement to establish a User of the System at particular System Points before nominations.	UKLCD4 – UK Link Gemini User Guide
G 1.9.2(d)	Details to be recorded in respect of each Supply Meter Point, Supply Point and Supply Point Premises.	UKLCD3 – UK Link Interface Document
G 1.9.6	Supply Point Register details to be provided to a UK Link User on request.	UKLCD3 – UK Link Interface Document
