

**PAC Action 0105 - Xoserve (RH) to investigate whether additional data could be added to enhance the reports further.**

Please see below the inclusion of rejected reads within the table that shows Class 3 Supply Meter Points and the number of reads submitted in the month of November 2017. This has been provided anonymously for PAC. We have also included the Class 3 Supply Meter Points and read submissions and rejections for December.

**Class 3 – November**

<b>Shipper Short Code</b>	<b>Number Of Class 3 SMP's as at 01/11/2017</b>	<b>Number Of Class 3 Accepted Reads Submitted between 01/11/2017 and 30/11/2017</b>	<b>Average number of reads per month</b>	<b>Rejected reads</b>
