**Reason for support/opposition:** Please summarise (in one paragraph) the key reason(s)

We support this modification as it clarifies governance arrangements for self-governance modifications with alternatives.

**Self-Governance Statement:** *Please provide your views on the self-governance statement.*

It is not self-governance as it changes the modification rules.

**Implementation:** *What lead-time do you wish to see prior to implementation and why?*

This modification should be implemented as soon as possible following an Authority decision and as there are currently no modifications that would be affected by this modification it could be implemented immediately.

WWU would not face any costs.

**Legal Text:** *Are you satisfied that the legal text will deliver the intent of the Solution?*

Yes
