<b>Support or oppose implementation?</b>	Support
<b>Relevant Objective:</b>	<b>d)</b> Positive <b>f)</b> Positive

**Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)**

The new reports will assist PAC in recognising trends in AQ movements on a monthly basis which is key to the performance of accurate gas settlement.

**Self-Governance Statement: Please provide your views on the self-governance statement.**

We believe self-governance rules apply to this change proposal.

**Implementation: What lead-time do you wish to see prior to implementation and why?**

It should be implemented immediately following approval by the Panel.

**Impacts and Costs: What analysis, development and ongoing costs would you face?**

None

**Legal Text: Are you satisfied that the legal text will deliver the intent of the Solution?**

Yes.

**Are there any errors or omissions in this Modification Report that you think should be taken into account? Include details of any impacts/costs to your organisation that are directly related to this.**

None

**Please provide below any additional analysis or information to support your representation**
