0679 - Amendments to Gas Transmission Charging Regime (Postage Stamp)

Date: 28 January 2019

Dear Colleague,

Following Ofgem's decision letter granting Urgent Status for Modification 0678 - Amendments to Gas Transmission Charging Regime, which states that Ofgem expect the UNC Modification Panel to treat any other related modification proposals on gas transmission charging arrangements seeking to deliver compliance with TAR NC, as alternatives to UNC678, this modification will be withdrawn and renumbered to Modification 0678A.
