5.5.3

- (n) to the disclosure of Protected Information in accordance with the Data Permissions Matrix, as amended in accordance with paragraph 5.5.2 (j) to authorise Research Bodies as a new User type. For the purpose of this paragraph and the Data Permissions Matrix, a “**Research Body**” is an organisation which requires access to gas industry data for an Agreed Objective and an agreed period of time. An “**Agreed Objective**” may include (but is not limited to) the following, but only where the Research Body can demonstrate to the DSC Contract Management Committee that their research will benefit consumers, business, government or society: promoting innovation; developing/delivering operational excellence; and/or developing/delivering efficiency in the UK energy industry.
