Relevant Objective:	f) Positive

Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

We agree that adding "Research Body" as a new user type under the Data Permissions Matrix will be helpful in promoting innovation in the energy industry and will deliver greater efficiency in the administration of the Code.

Self-Governance Statement: Please provide your views on the self-governance statement.

We agree that this Modification should be treated as "self-governance" as it is a non-material change.

Implementation: What lead-time do you wish to see prior to implementation and why?

We are happy for this Modification to be implemented as soon as possible.

Impacts and Costs: What analysis, development and ongoing costs would you face?

None identified.

Legal Text: Are you satisfied that the legal text will deliver the intent of the Solution?

Yes.

Are there any errors or omissions in this Modification Report that you think should be taken into account? *Include details of any impacts/costs to your organisation that are directly related to this.*

No

Please provide below any additional analysis or information to support your representation

We have nothing further to add.
