## Summary of Bid Errors for 2020

**Transmission Workgroup** 4<sup>th</sup> Feb 2021

nationalgrid

## Summary of known Gemini bid errors for calendar year 2020

Issue	no. of instances	Σ Bid Value	Σ Intended Value	Difference
bid price	6	3,014,964	19,517	2,995,447
location	3	36,397	36,397	-
total	9	3,051,361	55,914	2,995,447

- These figures only include User errors that could have been prevented by auction bid parameters being in place.
- Intended Value includes some reasonable assumption around intended bid price.
