Support or oppose implementation?	Support
Relevant Objective:	f) Positive

Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

We agree that this modification furthers relevant objective (f) *Promotion of efficiency in the implementation and administration of the Code* by enabling REC Co to be added as a new user type for data access. The DSC contract committee will authorise access to specific data items.

Self-Governance Statement: Please provide your views on the self-governance statement.

We agree that the self-governance criteria are met.

Implementation: What lead-time do you wish to see prior to implementation and why?

This should be implemented as soon as possible to enable access to data to made available and reports developed by REC service providers by 1st September 2021 when REC v2.0 goes live.

Impacts and Costs: What analysis, development and ongoing costs would you face?

None.

Legal Text: Are you satisfied that the legal text will deliver the intent of the Solution?

No legal text is required.

Are there any errors or omissions in this Modification Report that you think should be taken into account? *Include details of any impacts/costs to your organisation that are directly related to this.*

No.

Please provide below any additional analysis or information to support your representation

None.
