Wednesday 4<sup>th</sup> May 2022

Dear Colleague,

### **Rolling Monthly Transfer & Trade System Entry Capacity** Invitation to participate in the RMTNTSEC auction for capacity period June 2022

Pursuant to TPD Section B2.3.10 of the Uniform Network Code, National Grid Gas plc invites you to take part in the Rolling Monthly Transfer & Trade System Entry Capacity (RMTNTSEC) auction for the capacity period June 2022.

National Grid will conduct the auction on:

#### Wednesday 11<sup>th</sup> May 2022

The auction window will commence at 08:00 and close at 17:00 on the same calendar day. An RMTNTSEC bid may be withdrawn or amended until, but not after 17:00.

The auction on this date will be held to allocate capacity for the following Capacity period:

#### June 2022

The amount of capacity to be offered for each Aggregate System Entry Point (ASEP) will be 100% of the unsold NTS Obligated Firm Entry Capacity plus any Firm Entry Capacity surrendered in the Surrender (Trade Initiation) (RMTISSEC) process\*. This total capacity is termed the Available Capacity. The ASEPs where Available Capacity is to be offered, together with the unsold NTS Obligated Firm Entry Capacity for those ASEPs, are shown in the attached Tables 2 and 3. The Initial Stage and Trade and Transfer stage of the auction are both pay as bid and the reserve prices that apply are specified in Table 4. Any unsatisfied bids after allocation of the Initial Stage (i.e. where bid quantity exceeds Available Capacity) will be analysed as part of the Transfer and Trade stage and allocations will be carried out subject to the relevant provisions of TPD Section B2.3 and the Entry Capacity Trade and Transfer Methodology Statement.

\* Please note that the amount of NTS Obligated Firm Entry Capacity at Milford Haven may be adjusted to 693,000,000kWh/d, pending Ofgem's decision regarding the ECR (Entry Capacity Release) Methodology Statement Consultation<sup>1</sup>. If the ECR is approved the volume of Unsold Obligated Firm Entry Capacity that would be made available at Milford Haven in the June RMTNTSEC can be found in and below Table 2.

<sup>&</sup>lt;sup>1</sup> ECR Consultation details can be found on our website at https://www.nationalgrid.com/gas-transmission/capacity/capacity-methodology-statements (Entry Capacity Release/2022 annual review - consultation)

User allocations for the whole process (for the avoidance of doubt this includes the Initial Stage and the Transfer and Trade Stage) will be communicated no later than three business days prior to the last business day of June 2022.

Following RMTNTSEC capacity allocation National Grid NTS will publish the aggregate information for each ASEP on the Entry Capacity Auction Publications area of the National Grid Gas website. This can be accessed using the following link:

<u>https://mip-prd-web.azurewebsites.net/EntryCapacityAuctions/Index</u> (select Rolling Monthly System Entry Capacity as Auction Type and Allocation Results as Report Type).

The RMTNTSEC auction will be conducted in Gemini and any bids for NTS Firm Entry Capacity should be made using the **Deal>Capture>Create Bids** screen using **RMTNTSEC** as the Method of Sale.

Please be aware that if you wish to check your allocations from the February 2022 AMSEC auction prior to bidding in the RMTNTSEC auction you should navigate to the following screen **Deal > Bid Capture Reports > Bid Information** screen in Gemini.

Please note that this message is being sent by e-mail via the Energy Networks Association and web-fax (business hours operational list). An Automated Notification Service message will also be issued informing users that the invitation has been published.

If you have any queries regarding this auction process, please contact a member of the Capacity Auctions Team on +44 (0)1926 654057 or by e-mail at: <u>capacityauctions@nationalgrid.com</u>.

Yours sincerely,

Capacity Auction Team Gas Transmission nationalgrid
