Support or oppose implementation?	Support
Relevant Objective:	f) Positive
Relevant Charging Methodology Objective:	Not Applicable

Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

WWU supports this modification. The implementation of a 60-day period to submit a notice to recover costs should enable a party to attribute costs to a project in a timely manner. This modification furthers relevant objective (f) 'Promotion of efficiency in the implementation and administration of the Code'.

Self-Governance Statement: *Please provide your views on the self-governance statement.*

Agree that this modification meets the self-governance criteria

Implementation: *What lead-time do you wish to see prior to implementation and why?*

We can align to the 16 business day self-governance implementation period but acknowledge that some parties may need longer to update their internal systems.

Impacts and Costs: *What analysis, development and ongoing costs would you face?*

No additional costs have been identified.

Legal Text: *Are you satisfied that the legal text will deliver the intent of the Solution?*

Yes

Are there any errors or omissions in this Modification Report that you think should be taken into account? *Include details of any impacts/costs to your organisation that are directly related to this.*

No

Please provide below any additional analysis or information to support your representation

N/A
