

UNC Notice of Implementation
0804 - Consequential UNC changes for Switching SCR (REC 3.0)

Date: 10 August 2022

Dear Colleague,

Please note that following Ofgem's designation of the CSS Go-Live Date on 01 July 2022, Modification 0804 was implemented with effect from 00:01 on 18 July 2022, and as a consequence the legal text changes will be incorporated in the next available Code update.

The legal text at (<https://www.gasgovernance.co.uk/0804>) was approved by Ofgem on 17 May 2022.
