**Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)**

We agree with the proposer that all customers should be afforded the same protection in the event of a SoLR appointment, and so it is only fair that all customers should bear the costs of the impact of any SoLR events equally.

**Self-Governance Statement: Please provide your views on the self-governance statement.**

We agree that the modification meets the self-governance criteria.

**The Implementation: What lead-time do you wish to see prior to implementation and why?**

The modification should be implemented as soon as possible, subject to the self-governance rules.

**Impacts and Costs: What analysis, development and ongoing costs would you face?**

None identified.

**Legal Text: Are you satisfied that the legal text will deliver the intent of the Solution?**

Yes.
