

## UNC Notice of Implementation

### 0810S - Amendment of Transportation Principal Document Section V 14.1.1 and Annex-V5 to reflect updated Theft of Gas Process

**Date:** 29 March 2023

Dear Colleague,

Please note that Modification 0810S will be implemented with effect from 05:00 on 01 April 2023.

Implementation must also align with *Modification 0734S - Reporting Valid Confirmed Theft of Gas into Central Systems and Reporting Suspected Theft to Suppliers* (implementation confirmed as 01 April 2023) to ensure the legacy theft reporting, "Shipper TOG Report" is removed when the new theft process is in place and the legacy report is redundant.

The legal text (contained in the Final Modification Report) at <https://www.gasgovernance.co.uk/0810> was approved by UNC Panel on 16 June 2022.
