Support or oppose implementation?	Support
Relevant Objective:	f) Positive

Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

WWU supports this proposal as it will enable an appropriate length of time for scrutiny of the new UK Link Manual and therefore supports relevant objective f.

Self-Governance Statement: Please provide your views on the self-governance statement.

We agree that this satisfies the self-governance criteria.

Implementation: What lead-time do you wish to see prior to implementation and why?

Within 16 days of a panel decision. Consideration by panel at a special meeting on 7th July 2017 will enable this proposal to be implemented on 31st July 2017. This is the last date on which this proposal can be implemented because the current date for the delivery of the new UK Link Manual is 31st July 2017.

Impacts and Costs: What analysis, development and ongoing costs would you face?

None

Legal Text: Are you satisfied that the legal text will deliver the intent of the Solution?

Yes

Are there any errors or omissions in this Modification Report that you think should be taken into account? *Include details of any impacts/costs to your organisation that are directly related to this.*

Yes the Final Modification Report states that Panel Decision will be on 20th July, this should be 7th July as agreed at June Panel.

Please provide below any additional analysis or information to support your representation
