

All,

It was agreed at the DSC Change Management Committee meeting in September there would be a 9-day period for members to provide any representations for the above change. This Change Proposal was raised following an approved change at SPAA to include an additional status for In-Home Displays. If you could please re-review the Change Proposal and ROM with a view to providing approval to proceed at the October DSC Change Management Committee. Please refer to action D1 0801 of the September DSC Change Committee meeting minutes:
