UNIFORM NETWORK CODE – INDEPENDENT GAS TRANSPORTER ARRANGEMENTS DOCUMENT

SECTION C – IGTS SHRINKAGE

1 IGTS SHRINKAGE

1.1 IGTS Shrinkage

"IGTS Shrinkage" means gas offtaken from a DNO System or (as the case may be) the NTS at a CSEP, or delivered (to an IGT System) at an IGTS System Entry Point, which is lost from or unaccounted for as offtaken from any directly-connected or indirectly-connected IGT System, including gas lost or unaccounted for by reason of leakage, theft, meter error or meter correction.

1.2 Treatment of IGTS Shrinkage

1.2.1 At the Nexus Implementation Date there are no arrangements for the identification or estimation of IGTS Shrinkage or for its allocation as among CSEP Users.

1.2.2 It is acknowledged that, as a result, IGTS Shrinkage representing gas:

(a) offtaken from a DNO System, will be counted as and treated as forming part of Unidentified Gas for the relevant LDZ pursuant to TPD Section H2.6;

(b) offtaken from the NTS, will be treated as NTS unaccounted for gas pursuant to TPD Section N1.3;

(c) delivered at an IGTS System Entry Point, will be treated as NTS unaccounted for gas pursuant to TPD Section N1.3.
